**quality**

**excellence**

**craftsmanship**

A journey that begins with the selection of beans and continues at every stage.

**From over 40 years** Trismoka spreads the culture of coffee, bringing the excellence of Italian espresso in every cup.

# Trismoka is training

To make an excellent espresso It takes a skilled artist.  
A passionate barista, **who knows the raw material and how to enhance it at best** .

An academy that  
aware professionals,  
coffee-lovers, willing  
to make the difference.

This is why the  
**Trismoka  
Coffee School**  
was born.

Miss  
Moka

Trismoka is

solidarity

Trismoka empowers women worldwide. Behind a coffee that smells nice there are stories of women who work with passion and determination. With the Miss Moka project, **Trismoka gives voice and value to female energy** .

**Returning value is the best way to give meaning to quality.**

With Miss Moka, Trismoka celebrates **women's energy and supports concrete projects for women, especially for those harvesting coffee in the plantations.**

Because quality is not just a matter of taste, but also of value.

# Trismoka is team

In the world of coffee nobody wins alone.

**From raw materials to trainings till technical assistance.** Trismoka is at the side of those who work with passion in the coffee industry, offering high quality coffee, tailor-made equipment and a support through a network of experts .

Because behind every  
great success there is a

**great  
team**
